

Mad Hatter
Speed Networking

associations wanting great networking events call Mad Hatter

Get ready for more networking in a few hours... than you did in the past 6 months!

MadHatterSN.com

Association and Conference Events

Your Story

Your Association members' and Conference attendees' time is at a premium and not all networking events are created equally. They are counting on you for a successful networking session.

It's about RESULTS, just getting the results your members need to grow their businesses!

How They Get More From Mad Hatter

From the networking workshops to the quality of experience attendees have, Mad Hatter is raising the bar on networking.

We help your members drill down and focus to identify a specific need so they get exactly what they came for; to grow their business.

Our lean non-intimidating process saves them time and delivers more quality contacts in a few hours than most people get in 6 months.

Our Story

Mad Hatter Speed Networking is the next generation in premium, live, face to face networking.

Why We're Different

We're not like other networking groups, speed or traditional. We offer a unique proven process for identifying a participant's most important need and helping them to get that need satisfied.

- NO Business Cards
- NO Brochures
- NO Selling
- NO Small Talk

Focus

(until after the Mad Hatter Speed Networking)

How We Work with Associations & Conferences

We have 3 ways to work together to put a Mad Hatter event on for your members.

1. Each participant pays for their own admission.
2. Mad Hatter brings in a sponsor to cover our fees.
3. The Association/Conference covers our fees.

Together we determine group size and length of each event.

Give us a call at 416-686-2466 and let's discuss bringing a premium Mad Hatter Speed Networking event to your group.

Contact Cards

Our FREE Mad Hatter contact cards customized with your association and or conference logo are far more productive and less expensive than handing out more business cards and brochures. Another great reason to try the newest innovation in networking, Mad Hatter Speed Networking. Come out to an event and see for yourself or call and ask for a demo session.

If you think you know all about networking...THINK AGAIN!

What Members Are Saying

"Thank you for a powerful evening of networking for our conference. The energy was flowing, attendees were excited and the buzz was all over the room." Jane T.

"What a great event! I've been to many conferences and almost didn't go. But I'm really glad I did." Sam B.

"Your breakout networking sessions we're rated among the best." Bob R.

"Our members learned to drill down and focus on their most important needs." Tanya H.

What Members Achieve

- Event planner required help with proposal templates.
- A charity needed golfers for their tournaments. Got golfers, prizes donated by other Mad Hatter attendees and offers for free event promotion.
- Design firm sought companies with internal graphics departments farming out overflow work.
- VP HR was seeking prepackaged training modules.
- Sales Manager needed reps for a new market.

We don't get it if we don't ask. You never know who is in another members' database.

Results

The Rest is Up to You the Event Organizers

When results are what you're members are looking for, and you don't have time to experiment, call Mad Hatter Speed Networking for a successful event. We promise networking will never be the same for your members again. Ask about a demo session and our breakout networking workshops.

Visit our site to register for events and to receive FREE Event Alerts.
