

Mad Hatter
Speed Networking

time for only one networking event, go Mad Hatter

Your Story

Your time is at a premium and not all networking events are created equally, so you need to make each opportunity count.

It's about RESULTS, just getting the results you need to grow your business!

Our Story

Mad Hatter Speed Networking is the next generation in premium, live, face to face networking.

How You Get More From Mad Hatter

From the networking education to the quality of attendees Mad Hatter is raising the bar on networking.

Why We're Different

We're not like other networking groups, speed or traditional. We offer a unique proven process for identifying your most important need and helping you to get that need satisfied.

We help you drill down and focus to identify a specific need so you get exactly what you came for to grow your business.

Our lean non-intimidating process saves you time and delivers more quality contacts in a few hours than you got in the last 6 months.

- NO Business Cards
- NO Brochures
- NO Selling
- NO Small Talk

(until after the Mad Hatter Speed Networking)

Focus

Who's Attending

Small and medium-sized business owners, entrepreneurs, and any everyday business people who want to grow their enterprise, move a project forward or simply learn to network better and enjoys the rewards.

Who's Hosting

- Chambers of Commerce
- Networking Groups
- Associations
- Conferences
- Company Private Events
- Mad Hatter Public Events

Contact Cards

Our FREE Mad Hatter contact cards are far more productive and less expensive than handing out more business cards and brochures. Another great reason to try the newest innovation in networking, Mad Hatter Speed Networking. Come out to an event and see for yourself.

What Participants Are Saying

"Thank you for arranging a powerful evening of networking at the Mad Hatter Speed Networking event. The energy was flowing, people were motivated and the excitement was clearly evident all over the room". Rena B.

"What a great event! I had a previous commitment and it took some juggling to stay for the entire event but I am sure glad I did." Gary B.

"I learned to drill down and focus on my important needs." Ted H.

Why They Come Out

- Event planner required help with proposal templates.
- A charity needed golfers for their tournaments. Got golfers, prizes donated by other Mad Hatter attendees and offers for free event promotion.
- Design firm sought companies with internal graphics departments farming out overflow work.

- VP HR was seeking prepackaged training modules.
- Sales Manager needed reps for a new market.

We don't get it if we don't ask. You never know who is in someone else's database.

Results

The Rest is Up to You

When results are what you're looking for, and you don't have time to waste, come out and experience a Mad Hatter Speed Networking event. Come often and meet new people each time. We promise networking will never be the same for you again.
